

# Permanent Supportive Housing Inter-disciplinary Caseloads

Project based sites versus Scattered Sites may require lower caseloads .

Rural projects may also require lower caseload due to additional travel time between sites.

- Health Home Patients in PSH
  - ▣ 1 : 50
- PSH – Chronically Homeless with Chronic Disabilities
  - ▣ 1 : 10
- PSH – High Needs Families
  - ▣ 1 : 15
- Respite Care –
  - ▣ 1 : 15 (blended team, multi-discipline)
